

4-Star
Jingdezhen Fairfield Hotel
景德镇万枫酒店

The Jingdezhen Fairfield Hotel sits conveniently on Wanfeng Road, just off Changjiang Avenue. It's a stone's throw away from Taoxichuan Cultural and Creative Ceramic Avenue, merely 2.5 kilometers away. People's Square is a short 5-kilometer drive, while the Ancient Kiln and Ceramics Museum is about 8 kilometers away. This hotel, part of the Marriott Group, opened its doors in 2019.

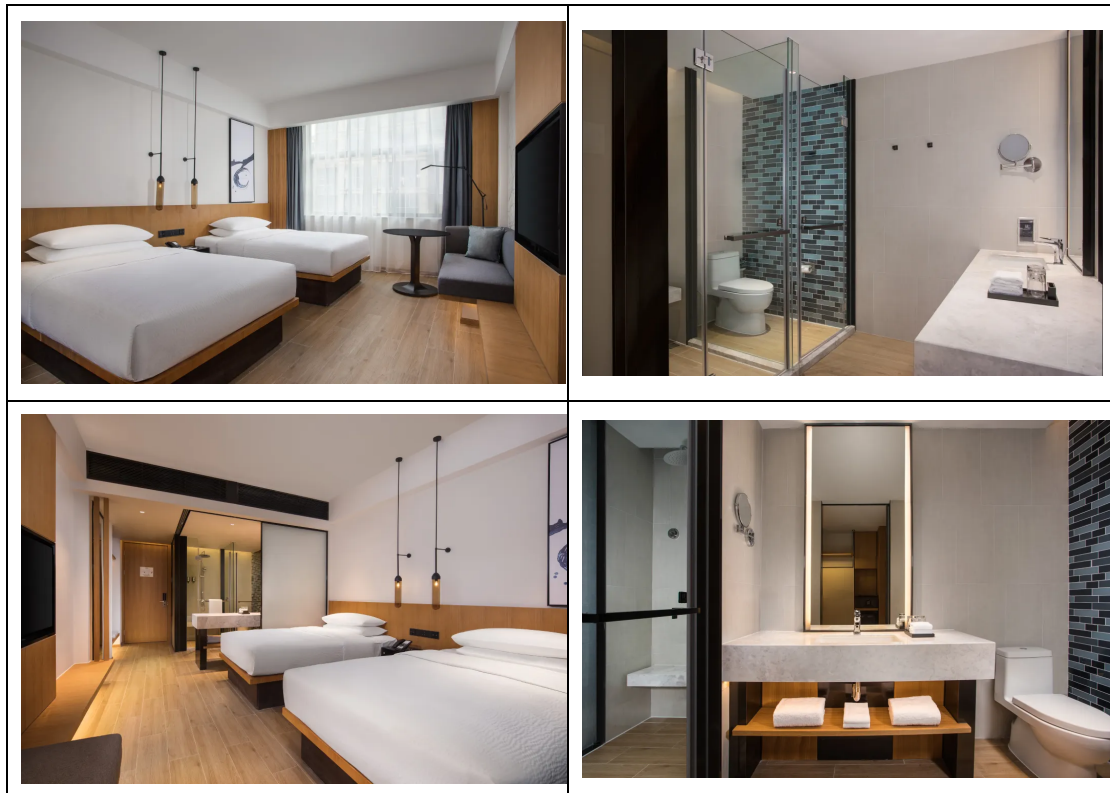

Nestled in the northern part of Jingdezhen, it resides amidst a charming residential community. With 108 meticulously crafted guest rooms, each space is thoughtfully designed to offer excellent ventilation, ample natural light, and sweeping vistas. The interior design, courtesy of Marriott's expert team, embodies a chic, minimalist style, creating an inviting ambiance. Open-concept layouts further enhance the sense of spaciousness and brightness.

While we provide a hearty breakfast for our guests, we don't offer lunch or dinner service. Fear not, though, as the nearby residential area boasts several quaint eateries and a grocery store for your convenience. Alternatively, if you fancy whipping up your meals, our homestay apartments, a mere 15-minute walking distance, feature fully equipped kitchens at your disposal.
