Jingdezhen Taoxichuan Hyatt Hotel
景德镇陶溪川凯悦酒店

The Jingdezhen Taoxichuan Hyatt Hotel is located in Taoxichuan, Jingdezhen City, China, and officially opened in October 2021. The hotel is situated in the iconic area of Jingdezhen City, the Taoxichuan Creative Art Avenue, perfectly combining the characteristics of Jingdezhen's ceramic culture. Designed by renowned British architect David Chipperfield, the hotel draws inspiration from the contemplation and fluidity of the ceramic production process. It features a total of 196 guest rooms and 7 suites. The interior design blends contemporary fashion with ceramic elements, incorporating wood, fabric, light leather, and ceramic tiles to create a comfortable and serene atmosphere that conveys Jingdezhen's unique cultural characteristics and spirit of innovation. All rooms are equipped with luxurious smart amenities, panoramic floor-to-ceiling windows, and private balconies, allowing guests to fully appreciate the city's beautiful scenery.

Our team from [Chinesesources.org](https://www.Chinesesources.org) conducted an on-site visit to the hotel, inspecting most its facilities. We have included the following photos to provide you with a glimpse of the hotel's ambiance and some of its amenities. We want to assure you that our recommendations for hotels and apartments stem from genuine inspections and assessments. Your understanding of our dedication to providing reliable recommendations is greatly appreciated.
