Embark on a creative journey tailor-made for families, inviting parents and children aged 3 years and above, as well as teenagers of any skill level. Our ceramic arts courses offer a blend of pottery, ceramics, and painting, carefully curated to provide a memorable experience for birthdays, vacations, or simply exploring new interests in a relaxed setting.

Located in the heart of Jingdezhen, our classes run daily from 10 a.m. to 9 p.m., with each session lasting 2 hours. During these engaging lessons, participants will have the opportunity to craft 1-2 clay products using both the potter's wheel and hand-building techniques, guided by our experienced instructors who will walk you through each step with demonstrations and explanations.

From mugs and vases to bowls and plates, unleash your creativity as you design and create personalized tableware items. Our diverse course offerings cater to various preferences and interests, ensuring a fulfilling experience for everyone involved.

For younger participants, our children's classes in pottery, hand-building, and painting provide a platform for learning, creativity, and relaxation. Led by seasoned educators, these classes empower children to express themselves artistically, with each child crafting their own pieces from start to finish, which can be proudly displayed or used at home.
